Some First Date

Joe had wanted to grab a bite to eat so they could talk; a much better choice, he had thought, for a first date.

Halfway through the boring flick Brenda leaned over, unzipped Joe's fly, and treated him to the best handjob of his life. His pecker popped like the cork on a bottle of bubbly. And things got even better when she whispered in his ear. "That was just a warm up, Joe. Let's go back to my place and have some real fun."

He couldn't believe it! Some first date! Still, he had shelled out a lot of cash for tickets and refreshments.

"What about the movie?" he asked lamely, feeling like an idiot as soon as the words had left his mouth.

"Screw the movie," Brenda said. "It sucks."

Her apartment was just a few blocks from the theater. It wasn't the best neighborhood. Joe was hardly on the lookout for threats; Brenda's superlative handjob, and the promise of much more, had him seriously distracted, so much so that he failed to notice the figure emerging from the alley before it was too late. The mugger yanked Brenda's purse from her shoulder, pushing her with enough force to make her stagger before turning to face Joe.

"Your wallet!" The mugger wore a ball cap and a navy blue windbreaker zipped to the throat. He waved a small handgun. "Come on, asshole! Hand it over!"

Joe was paralyzed with fear. Finally Brenda said, "Do what he says, Joe. Give him the—"

"Listen to her," the gunman interrupted. "She sounds like a smart girl . . ."

Joe lifted his wallet from his back pocket and tossed it over. The mugger snatched it out of the air with his free hand, turned swiftly, and took off running, his footfalls echoing off the walls of the dark alley.

"Sorry I couldn't provide more of a description," Joe said to the responding officer, "but it was dark."

"That's too bad." The grizzled cop grimaced. He opened the kitchen door and stepped out onto Brenda's concrete stoop, his features softening as he said, "Nobody was hurt. That's the important thing . . ."

Brenda and Joe stood at the door; they watched the lawman climb behind the wheel of his prowl car, then returned to the cozy living room where they had related their harrowing ordeal.

"Well." Joe breathed a sigh of relief. "At least we cancelled our credit cards."

It was the first thing they had done after the mugger had fled, calling their respective banks to report the incident. Then they had walked on to Brenda's apartment where Joe had called the police.

Now Joe wished they could resume their evening as if nothing had happened, as if that punk had never jumped out of the alley and ruined everything. But Brenda seemed shaken by the ordeal. He wasn't about to press the issue. A quick leak and he would call a cab to take him home. Maybe there would be a second date, maybe not.

He ducked into the bathroom, finished his business, and leaned over the sink to wash his hands. No soap. Joe frowned. He was somewhat of a clean freak. Surely Brenda had some soap. He opened the medicine chest. No luck. He saw a toothbrush, toothpaste, floss, deodorant. He closed the medicine chest and opened the cabinet below the sink. Fresh towels and

washcloths, he noted. A four-pack of toilet paper. And a three-pack of bar soap. Bingo!

Something else, too, something which gave him pause. Wallets, lots of wallets . . .

Joe said, "Give me one good reason why I shouldn't call the cops right now?"

He stood there, towering above Brenda who sat, her face ashen and drawn, on the couch; the wallets were scattered atop the coffee table where he had dumped them a few minutes prior.

"Please don't," Brenda begged.

Joe had figured it out easy enough. After all, the movie had been Brenda's idea. Joe had wanted to grab a bite to eat so they could talk; a much better choice, he had thought, for a first date. But Brenda had insisted on a movie at that particular theater. Now Joe knew why. Brenda and the mugger were in cahoots; and they had almost gotten away with another one . . .

"Here's what's going to happen," Joe told her. "I'm going to call the police and tell them everything. And you're going to call your partner in crime and have him come over. Then the two of you are going to jail."

"No, Joe," Brenda pleaded with him, "I can't go to jail—"

"You should have thought of that before—"

"There must be something I can do for you. Surely we can work this out."

Joe searched her face. Hers was a nice face, her most attractive feature. Of course her tits and ass were nothing to sneeze at. Let's go back to my place and have some real fun, she had said at the theater. No doubt she had used that line on all the poor schmucks whose wallets he had found stashed in the bathroom.

"What do you say, Joe? I'll make you feel real good. I'll make amends for the whole stupid thing."

He recalled the handjob in the darkened theater, the deft skill with which she had stroked him to completion. She was an experienced gal, for sure. And did he really want to press charges? The mugger had gotten away with a measly fifteen bucks. And I cancelled my cards immediately, Joe thought; the punk wouldn't have had time to make any purchases. Wouldn't it be better, he reasoned, to forget all about the cops and fuck her instead?

Yeah, he decided, much better.

Brenda gave one hell of a handjob, sure, but she was certainly no slouch when it came to sucking cock. Joe sat there on the sofa, watching her head bob in his lap, relishing the way her soft lips glided up and down his stiff manhood.

"That's right," he urged her on. "Take it all, baby. Gobble that cock like you mean it."

His words had the desired effect. Brenda sucked him faster. Her head pumped frenziedly to the accompaniment of raunchy slurping sounds. Joe smiled. There was nothing like a sloppy blowjob to lift a man's spirits. And his cock!

Joe was getting harder and harder. He couldn't wait to cram it in her cunt.

Brenda wanted it, too. She raised her head from his lap, wiped her mouth with the back of her hand, and said, "Fuck me, Joe. Fuck me hard. Make me scream and holler. I've been a really bad girl."

You sure have, Joe mused. He thought about her sizable collection of wallets. Trophies, he assumed. Why did she get to keep them? Why not her accomplice? And what of her purse? Surely her partner would return it with Joe's wallet; his snatching the handbag had been a clever touch, making Brenda look like just another hapless victim.

Joe had her lay on the sofa. Stroking his cock, he stood and told her to play with herself. Brenda lifted her knees and spread her legs. She rubbed her hairless pussy, licking her lips lewdly as she did so.

"I'm so wet, Joe. Do me now, baby. Make my pussy come . . ."

The tableaux had him harder than a hammer—

Brenda splayed out before him with a hand between her legs, the other roving all over her firm tits. He hardly needed to stroke himself. Still, he kept on pulling his prick as he said, "Flip over. I want to bang you from behind."

"Now you're talking." Brenda smiled. "I love doggie."

She positioned herself on all fours. The sofa provided ample cushioning for her knees and forearms as she angled her spine and raised her ass.

Joe marveled at the sight of her stellar rump. Keeping one foot on the floor for leverage, he lifted a knee to the sofa and moved behind her. Then he guided his cock home.

Brenda's was a tight twat, tight and wet; it gripped his erection in snug heat. Oh, yeah, Joe thought, this is going to be fun, loads and loads of fun. Holding her slender hips, he thrust repeatedly, burying every inch of his man meat.

Brenda moaned delightedly as he fucked her deeply; this prompted Joe to up the pace of his thrusts. In a matter of seconds he was screwing her like a jackhammer, jabbing and stabbing with his rigid tool.

The horse had left the gate. And it was a fast horse. Joe couldn't stop the thing. Or so he thought; until a shadow lashed the wall behind the sofa.

A male voice bellowed, "What in the hell is going on here, Brenda!?"

Joe turned his head to see a man, tall and imposing, framed in the kitchen doorway. The man was wearing a ball cap and a navy blue windbreaker. Brenda's accomplice, Joe realized. The mugger was holding her purse in one hand, Joe's wallet in the other.

He regarded Joe with a malevolent stare. "Who the fuck is this?!"

"I'm Brenda's date," Joe spat. "That's my wallet."

Having disengaged from her backside, Joe raised to his full height to confront the intruder.

"Shit, Don," Brenda barked back, "I've told you that you're supposed to call before coming over." Brenda covered her nakedness with a woven afghan swiped from a nearby chair. "It's okay, honey. We worked it out."

Don frowned. "Worked it out?"

"Joe has agreed not to press charges," Brenda explained. "We have nothing to worry about. Why don't you return his wallet and that'll be the end of it."

Don's visage betrayed a mixture of anger and hurt. "Like hell!" He hurled Brenda's purse. She ducked as the handbag slammed into the wall, its contents spilling onto the sofa. Face contorted with rage, Don advanced into the room.

It was obvious to Joe that Brenda and Don were more than just partners in crime. Lovers, he deduced. And Don was none too happy with what he had interrupted. Don reached for the small of his back. "I'll kill both of you!"

Shit, Joe thought. He's going for the gun used in the mugging! The jealous bastard is going to shoot us!

But he didn't get the chance before a loud pop rang in Joe's ears. Don jerked. His hand reached reflexively for his chest. He fell to the floor. A wide-eyed Joe regarded Brenda. She stood there beside the sofa, a chrome .32 in her hand.

"Don't look so surprised, Joe. A girl has to protect herself in this neighborhood. I always keep a gun in my purse."

He didn't know what to say. So he said nothing, not a damn word, as Brenda placed the gun on the coffee table and reached for her phone.

"I'm calling the cops," she told him. "It was self-defense. You saw the whole thing."

Joe got dressed while Brenda made the call. Too much excitement for one night, he decided. Way too much. There would be no second date.

BIGGER IS DEFINITELY BETTER

wrap around him urging him ever on till he's pressing into her soft, wet vagina. His dick stretches her walls till she's deriving a painful pleasure from every thrust. His member continually causes her body to twist and shout with pleasure. Faster and faster he goes till she's moaning incoherently, cumming all over him.

SNEAKING AROUND

I'll admit, being married can be a pain in the ass. So much work to keep each other happy while living through every stress life throws at you can really start to get to a man. And don't get me wrong, I love my family. But sometimes, I need a different kind of release than what my wife can provide.

At first, I felt bad sneaking around behind her back, but that was before I met Rachael. It started out innocent enough, meeting at the bar after work for a couple of hours once a week. Just a person to talk to. But it didn't take long for it to grow into something more. First, she was beautiful, with long blonde hair flowing down to her shoulders and piercing blue eyes that really listened and empathized with what I was going through daily. The first time our hands touched felt like there was a surge of electricity shocking through us, and we both knew where it was headed if we kept going. And despite our insistence that we should have stopped, we couldn't.

The "late nights" at work became more frequent and longer. And after about a month of sneaking out like that, we found our lips starting to explore one another and agreed that our next "bar" outing would be at one of the local hotels.

We kept it casual until we were in the room, but even then, we took our time with each other. We laid down on the bed and started making out slowly, sharing our flavors and savoring each other's tastes. Our bodies were instinctually in tune with one another, pressing against each other, sharing our warmth and racing hearts as our hands became more friendly. She went under my shirt, feeling the heat I was already putting out, rising and falling with my heavy breathing. I kissed her jaw and neck as she raised her head to give me better access. Her pulse was throbbing and full of life. I kept moving toward her neckline, gently sliding her blouse over her shoulder.

Slowly, we helped each other out of our shirts and sat up in each other's arms. Her black silk bra pressed against my chest, holding back the petite but anxious breasts that wanted to be set free. Tracing tiny circle patterns across her back, my fingers danced their way to the clasp to grant the request, and as I sat back to admire what I'd just released, I felt a strong stirring in my pants at the sight of her perky, firm nipples. She guided my fingers around to play, showing me what she wanted, while her eyes told me how much she desired to share in the experience with me.

I felt time drift away into nothingness; there and then was all that existed and all that I would ever

need. She lay me back and loosened my belt, moving deliberately as she kissed all around my waistline, letting her tongue drift out and lick my flesh in ways that sent shivers through my body. I closed my eyes and let her have me, wanting nothing more than the moment and pleasure to continue forever. She delicately freed my throbbing meat and took gentle care of it in a way that was more sensual than I'd ever experienced.

Looking up at me, she made out with the tip, enjoying just the slit before moving down to the head and finally the rest of the shaft, all while her fingertips lightly juggled my balls. I almost felt ready to explode just then, but she denied me, choking my cock right at the base to keep me on edge. I was grateful because I wasn't ready. In a way, I never wanted to be ready; I wanted to enjoy the single moment as long as I could.

When her mouth had enjoyed its fill, she slid up my body, sure to drag my dick through her small but firm cleavage, and, with a wide smile, slid me inside her ready and waiting pussy. Another surge of electricity rushed through me, and it was all I could do to hold back the flood that had been aching since we met. I watched her eyes as she began to ride me, simply at first, mostly by squeezing my dick rhythmically, but soon, she started sliding on and off, moving her hips so that my meat would find different places inside her to send us both into ecstatic bliss.

We both unloaded simultaneously, our faces contorted in the agony of shared pleasure, and she quickly, fiercely leaned down to kiss me to keep our moans and screams from echoing through the room. When she slid herself off and lay down next to me, I knew I was in some sort of trouble, but that was for another day. As long as we could keep sneaking off like this, everything would be just fine.

– Lawrence R., Still Sneaking in St. Louis

Into The Light

I've led an active sex life. Since I first learned how good it felt to touch myself, I've been looking for different experiences. And I found them. In magazines that I kept hidden under my mattress, on websites that I scrubbed from the computer history, and in shops I went to that were far from home so that no one would recognize me. Then, as I got older, I found them in bars and hotels. As a tall, dark-haired, tanned beauty with deep brown eyes, finding someone who wanted to bury their face in my tits or slide themselves up inside me wasn't hard. Most of the time, there were at least a few options just a swipe away.

I loved it. The pure feeling and ecstasy of sex filled me even at the thought of sharing a bed, watching a video, touching each other, and enjoying one another's touch. But it was always hidden. I learned young that I wasn't supposed to like this; That sex was supposed to be special and personal. I've never been a woman who wants to be tied down to anyone. There's just too much to explore and enjoy. But with so many people in my life who didn't understand, I had to keep the experiences in the dark. We'd go over to his place or stay quiet and sneak around. Even older and with my own apartment, I still had no one to talk to, to share the experiences with, to celebrate the victories, and mourn the defeats.

Last summer, I was finally able to break through that barrier. One of my partners slowed me down long enough to tell me about a vacation he took a few years back that liberated him. He convinced me to try it, and let me tell you, I was not disappointed!

I knew this was something different from the

moment I stepped into the resort. Even in the lobby and amongst the staff, everyone was dressed to their comfort level, from revealing but elegant evening dresses to bikinis and lingerie to nothing at all. The men were just as wide-ranging and revealing.

Couples, throuples, and more took over various benches and enjoyed one another. Kissing along sensual lines formed from the dress being pealed over the shoulder. Tender caressing up the chest of beautiful women with their boobs pointed out like rockets. It was a mass resort-wide orgy, but not the kind I was used to, with a quick call and a hook-up in the dark alley after work. This was intimate. Sexy. Almost artistic. And it was all happening right in front of me.

I watched as five women of all different types gathered around a man sprawled out on the bench in front of the fountain, two making out with him and each other while the other three worshiped his throbbing cock and heavy balls. At the edge of the arboretum, several nude women leaned back against the trees, gazing out at passersby with their nipples at full salute.

A group of men walked by and began giving those beautiful breasts the attention they deserved. Poolside, I watched as couples fed each other grapes and trailed cool ice over each other's bodies. Others lined up for body shots while more played beach volleyball in the nude, sand glistening like a million tiny stars on their sweaty bodies.

I dropped off my bags in my room and quickly changed, sliding out of my travel clothes and slipping on a sheer, white silk shirt that I left open save for the belt I looped easily around my waist. It covered my breasts and pussy just enough to let someone's imagination play with them while I kept open a huge crevice down my cleavage. And when I reemerged into that hedonistic paradise, it wasn't long before the eyes started watching me.

Men and women stared as longingly at me as I did at them. It was like a buffet of the flesh, with choices to delight any pallet. It wasn't long before I was surrounded by three toned and shaped men wearing sheer thongs that left nothing to the imagination about what they were packing.

They led me to a velvet bench just across from a fountain flowing with pure purple wine. I was offered a glass as they made themselves at home, welcoming me to the resort in the best way possible. Their lips traced over my body and quickly helped me out of the silk shirt I wore.

All three were experts at knowing the female form and easily found all of the right spots with their fingertips, their tongues, their lips, and, eventually, their dicks. They shared me without a hint of jealousy or rush. Each one took his time, lifting my legs up and sliding into me with precision and grace that sent me over the edge more than I could count.

While one was inside, another met my lips with his, while the last enjoyed my chest and nipples, erect like the pinnacles of mountains. As they each unleashed inside of me, they gracefully licked me out, careful to keep the mess inside and the passion overflowing. And when they helped me back to my feet, day had turned to early evening, and I realized that I still had a full week to spend at this beautiful haven of the flesh!

NINA, HOPE & ALYSSA

BEST FUCKING FRIENDS FOREVER

What are three girls who spent all night fucking supposed to do when the sunlight comes to greet them? Keep the action going of course. These girls just can't cum enough. Waking up to warm sun, soft skin encourages nothing more. Not even waiting till after breakfast to start back up again, their lips meet other lips, and tongues meet clits. Soon the room is back to its cacophony of moans, gasps and giggles. The three girls pleasure each other, cumming on fingers and mouths leaving all three hungry for more.
